## **ROAR & SNORE SAFARI GUEST INFORMATION**

### **Welcome Back to the Wild!**

We are thrilled that you will be joining us for a Roar & Snore Safari at the San Diego Zoo Safari Park. Please visit [zoo.sandiegozoo.org/reopen](https://zoo.sandiegozoo.org/reopen) for important information about what to expect when you arrive, tips for a safe visit, and measures we are taking to protect the safety and well-being of our guests, team members, and wildlife.

### **Reservations are required**

Due to COVID-19, in order to keep our community safe during this time and in anticipation of high demand, the Safari Park has implemented a reservation system required for entry. This is in addition to your Roar & Snore Safari reservation. Please visit [zoo.sandiegozoo.org/reservations](https://zoo.sandiegozoo.org/reservations) for more information.

Please make a Member Reservation or purchase a date-specific ticket for the date on which your Roar & Snore Safari begins. Your Roar & Snore Safari includes re-entry into the Safari Park at the conclusion of the program the following morning; no separate ticket or reservation is required.

Check-in for your Roar & Snore Safari takes place at 4:15 PM in the parking lot. Roar & Snore Safari guests will be permitted to re-enter the Park after program check-in.

### **Things to know before you arrive**

Cloth facial coverings entirely covering the nose and mouth are required for all guests two years of age and older. Please have facial coverings on as you arrive.

Upon arrival, you will be asked some health screening questions. Please **do not** visit if you or anyone in your household:

- has had a fever or felt feverish within the past 3 days;
- has any of the following NEW symptoms: cough, chills, sore throat, muscle pain/body aches, extreme fatigue, vomiting/diarrhea, loss of the sense of taste or smell, shortness of breath or trouble breathing
- has had contact with someone who is positive or highly likely to be positive for COVID-19 for more than 10 minutes without a mask/face covering.

If you meet any of the above conditions, please call Reservation Sales at (619) 718-3000 or the Roar & Snore Coordinator at (760) 747-8703, extension 5365.

You will be sent a link to our digital Consent and Release Forms in advance of your Roar & Snore Safari. A separate form must be completed for each participant.

## **During your visit**

Cloth facial coverings entirely covering the nose and mouth must be worn at all times except while dining or inside your tent. Please maintain a six-foot distance from team members, wildlife, and other guests not from your household.

## **Cleanliness & sanitation**

The Safari Park maintains high standards of cleanliness. All restrooms and high-touch surfaces are regularly cleaned and sanitized. Your tent will be cleaned and sanitized prior to your arrival. Our staff will transport your luggage from check-in, place it outside your tent, and sanitize all luggage handles. In the morning, please leave your luggage outside your tent. Our staff will transport it to the parking lot, set it out for your retrieval, and sanitize all luggage handles.

Hand sanitizer and handwashing stations are placed at various locations throughout our grounds. We recommend you wash your hands frequently—with soap and warm water, for at least 20 seconds—during your visit, and avoid touching your face.

## **Meals**

Your Roar & Snore Safari includes dinner, breakfast, and campfire s'mores. All meals will be prepared in advance following health department standards, individually packaged, and delivered to your party's assigned table.

Our Consent and Release Forms include sections for you to declare any food allergies or dietary restrictions. Please be sure to complete these sections so that we may prepare appropriate meals for you, including vegetarian, vegan, and gluten-free items.

## **Check-in**

Roar & Snore Safari check-in is from 4:15 PM to 5:00 PM. Please bring your vehicle to the Preferred Parking section of the parking lot (above row 1) and pull up to the check-in area. Please remain in your vehicle; our staff will check you in and ask you to unload your luggage before parking.

After checking in, your party will enter the Park and proceed to the Roar & Snore campsite on your own. Park maps will be provided. You may enjoy visiting animal habitats along the way. Please be at Kilima Point by 6:00 PM for dinner service.

## Program itinerary

Your Roar & Snore Safari has been modified to protect your health and safety as well as that of other guests, our team members, and wildlife. These modifications are based on guidance from health authorities, including the CDC, along with requirements of the state of California and San Diego County.

To maintain social distancing, many parts of the experience will be self-guided. Please stay within the designated boundaries and maintain a minimum six-foot distance from other guests.
